# Certificate for food-applications

Dual Use Substances (Food additives) and/or SML-restrictions for  
**Comfort Blue Premium Pipingbags**  
 made from a multilayer PolyEthylene (PE)

PM REF N/CAS	SML in mg/ kg food	Dual-use
111-66-0	15	No
2082-79-3	6	No
24550 & 89040	5	No

In the theoretical situation that the total amount of all the substances present in the film should migrate to the packed product (worst case scenario) the specific migration limits for these substances are not exceeded. Calculations are based on 6 dm<sup>2</sup> film which is according to Regulation (EU) 10/2011 the standard quantity to pack 1 kg food and on 100 µm film.

We also declare, that in case of a printed item, the used ink is always printed on the outer side of the product and is in accordance with regulation EU 1935/200
