

Retail Kids Piping Bags

The hygienic Piping Bag with soft touch and non-slip feel

Because of the growing home baking market, One Way Plastics has developed a new kind of retail packages. This is in addition to the existing retail packages (41x21 cm Comfort Clear and 53x28 cm Comfort Green). The Kids Pastry Bags have a small format and a nice pink colour.

For the larger retailers the piping bags can also be delivered in a Private Label packaging. The retail packs are packed in a display that can be displayed on the counter.
